

# ERASMUS +

AN AFTERNOON IN ANCIENT OSTIA

---

april 4th, 2017

## WHO?

60+ students from all over Europe (Croatia, Hungary, Italy, Lithuania, Spain and Turkey) came together in Rome for the 4th students exchange in the Erasmus + project

## WHAT?

After an archeological visit, they've been invited to take part in a photo contest: they had to take a selfie in specific locations throughout the ruins, following hints given to them by solving on line quizzes prepared by italian students

## WHY?

Because ERASMUS + is an unique chance to work, study (and have fun too) with young people from Europe

# THE TEAMS

Students were divided into six teams, named after famous scientists:

- Galileo Galilei
- Leonardo da Vinci
- Isaac Newton
- Albert Einstein
- Johannes Keplero
- Charles Darwin

# THE LOCATIONS

The statue of Apollo and Psyche

The House of Jars

The Capitolium

The Theatre

The Round Temple

The Thermal Baths
