SUNDAY

At 9:00 am we left the airport of Fiumicino and we arrived in Vienna at 10.30 am. We stayed there until we took the train to Bruck. At the end, we took a taxi and arrived in Judenburg, where the host families were waiting for us.

Then the hosting students drove us to McDonald's. After this everyone went to their respective houses.

MONDAY

On the first day, we received a beautiful welcome at school with a tour and after we played some icebreaker games. After finishing them we went in the center of Judenburg where we made and ate Pizza at the young centre. Before we went at home with our hosts we went to the planetarium of the city which was enjoyable!

TUESDAY

The second day we started the activities with a project finalized to make a tik tok. From the morning until lunch, we stayed in the woods and the group was divided in two parts: one played some games in the forest and the other planted some trees; then we exchanged. After this experience, we returned to our home.

WEDNESDAY

At the beginning of the third day, we presented some activities that we made before we left. After this, we did the break and then we started to do a podcast on how to make good with social media. Finished them we returned home.

THURSDAY

On the fourth day instead to go school, we went to Graz. We departed from Judenburg and when we arrived we did a guided tour around the city visiting the most important buildings.

Then we found a little Italian square where there were diRerent stands with typical Italian food and we felt at home.

FRIDAY

During the last day in the school at first, we presented the tik tok started on Tuesday, and then we did a live event with the other countries. After this, we had lunch in school and then we went to visit the Red Bull Ring.

Instead in the evening, we did the Farewell party in the school where we danced and ate all together to say goodbye to each other

SATURDAY

In the last day we said goodbye to everyone and before taking the taxi we greeted the Spanish group.

Then with the taxi, we went again to Bruk where we took the train to go to the airport in Vienna where we met again the Spanish group. After this, we left Vienna at 19:10 and we arrived at Fiumicino at 20:40.
