BREAKING NEWS

6 YEARS SINCE THE DEATH OF ANTONIO MEGALIZZI

Antonio Megalizzi, a journalist for Europhonica, a web radio where he published articles about Europe as a convinced pro-European; before his death on December 14, during the shooting in Strasbourg, he was heading to the Parliament headquarters to give an interview. On December 14 of this year it will be 6 years since the death of the journalist; he is remembered by acquaintances and friends as a brilliant and good person; It is necessary to remember him also in terms of his work to try and protect journalists. This is one the cases about people who died as a result of terrorism. 4 other people died with him. In addition, on Tuesday, December 17, at 9:45 a.m., there will be a commemorative moment outside radio studio 1 dedicated to Antonio and his young colleague Bartosz Orent-Niedzielski, also a victim of the attack, in which a message from the Megalizzi Foundation will be read.

ANTONIO MEGALIZZI: IN LOVE EUROPE

Most important positions:

- head of an editorial office of 25 young people who came from Trento to Catania, has interviewed the greatest exponents of the European Parliament
- becomes a Rai professional
- to remember is also the book written for him by Paolo Borrrometi: "Antonio's dream".
